

Perfectly Pieced™

# BLOCK COLORING TEMPLATE

March 2023

Break out the colored pencils, crayons, or markers and have fun designing your quilt blocks! Color multiple blocks, cut them out, and tumble in different configurations until you find what you like best. As you visualize the possibilities, you'll be inspired with how you want to stitch out your project!

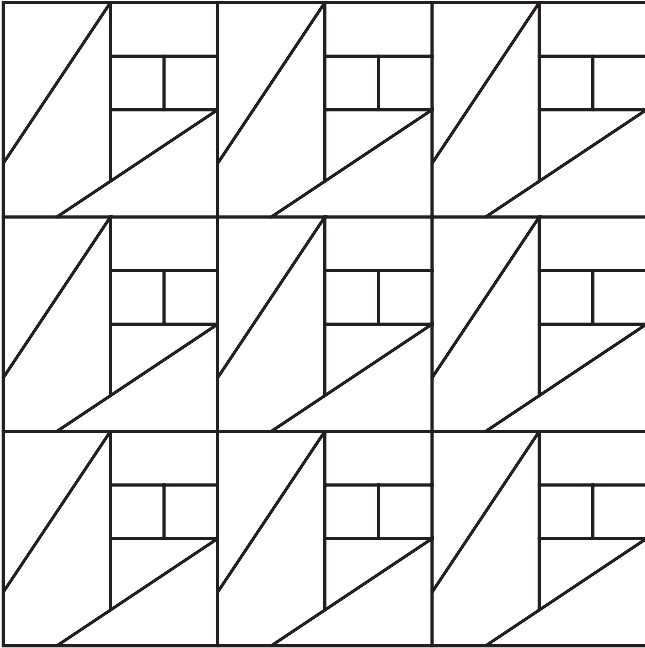

Perfectly Pieced™

# PROJECT COLORING TEMPLATE

March 2023

Just imagine the possibilities with your quilt blocks! Below are just a few examples of how different sizes of your March pattern can be tumbled to create a unique look. Print your Coloring Templates, color the shapes, and plan fabric placement for your projects!
